EXPERIENCE

Mechanical Engineer | 20XX - Present

Farah Creek Manufacturing, Nagpur, MH

Provided mechanical engineering services to a variety of projects, including industrial machinery, automotive parts, and consumer products. Developed detailed mechanical designs and blueprints using CAD software. Worked with the manufacturing team to ensure design feasibility and efficiency.

Intern | January 20XX - August 20XX

Farah Creek Manufacturing, Nagpur, MH

Opportunity to work closely with experienced engineers on a variety of projects, gaining hands-on experience in the field of mechanical engineering. Contribute to the development of prototypes for new products or components. Participate in testing and evaluating the performance of mechanical systems.

Skills

- AutoCAD, SolidWorks, MATLAB
- Mechanical design principles and concepts
- Strong understanding of materials and manufacturing processes
- Experience with analytical problem-solving
- Excellent communication and interpersonal skills

Projects

Designed a new assembly line for an automotive manufacturer. Created detailed designs for a series of industrial machinery for a clothing brand. Developed a new manufacturing process for a non-profit organization.

Dedicated and skilled mechanical engineer with a passion for designing innovative solutions. Proficient in AutoCAD, SolidWorks, and MATLAB. Experience working on diverse engineering projects across various industries.

EDUCATION

20XX
Bachelor of Engineering
in Mechanical Engineering
St. Thomas University, Nagpur, MH

20XX
Diploma of IT
in Software Engineering
Zenith University, Nagpur, MH

AWARDS AND HONORS

Best Engineering Project
St. Thomas University, 20XX

Innovation in Mechanical Design
Saraswati College, 20XX
